

Bishop Chadwick Catholic Education Trust – COVID-19 Testing Privacy Statement

Ownership of the Personal Data

To enable the Covid-19 testing to be completed at St. John Bosco Catholic School, we need to process personal data for staff and pupils taking part, parents/legal guardians where your consent for your child's participation in the test is obtained, as well as the sharing of personal data where we have a legal obligation. St. John Bosco Catholic School, is the Data Controller for the data required for processing the tests and undertaking any actions which are needed by the school to ensure we meet our public health and safeguarding legal obligations (paragraph 7 of the Schedule to the Education (Independent School Standards) Regulations 2014).

Personal Data relating to staff is processed under our legitimate interests to ensure we can minimise the spread of COVID in a timely manner and enable us to continue to deliver education services safely and securely.

Should you (parent/legal guardian, pupil or staff member) decline a test, we record this decision under the legitimate interest of the School/ Trust in order to have a record of your decisions and to reduce unnecessary contact with you regarding testing.

The processing of special category personal data is processed under the provisions Section 9.2(i) of GDPR, where it is in the public interest on Public Health Grounds. This data is processed under the obligations set out in Public Health legislation (Regulations 3(1) and (4) of the Health Service (Control of Patient Information) Regulations 2002 (COPI)) which allows the sharing of data for COVID related purposes.

Data Controllorship is then passed to the Department for Health and Social Care (DHSC) for all data that we transfer about you and your test results to them. For more information about what they do with your data please see the [Test and Trace Privacy Notice](#). The establishment remains the Data Controller for the data we retain about you.

Personal Data involved in the process

We use the following information to help us manage and process the tests:

- Name
- Date of birth (and year group)
- Gender
- Home postcode
- Email address (where applicable)
- Mobile number (where applicable)

- Unique barcode assigned to each individual test and which will become the primary reference number for the tests
- Test result
- Parent/ legal guardian contact details

We will only use information that is collected directly from you/ parent/legal guardian specifically for the purpose of the tests, even if you have previously provided us with this information.

How we store your personal information

The information will only be stored in electronic databases in school whilst it is needed. It will also be entered directly onto DHSC digital services for the NHS Test and Trace purposes. School will not have access to the information on the digital service once it has been entered.

Processing of Personal Data Relating to Participation Consent

Information relating to the provision of consent to participate in the test, or to decline participation, will be stored in electronic databases administered within school. These databases are hosted by a 3rd party. Where the data is transferred outside of the UK/EEA, security measures are in place to protect the data during transfer and storage which includes encryption and applicable agreements between all parties. This record will be retained for 6 months.

Processing of Personal Data Relating to Positive test results

The member of staff, pupil, student or parent (depending on contact details provided) will be informed of the result by the school and advised how to book a confirmatory test.

We will use this information to enact their own COVID isolation processes without telling anyone who it is that has received the positive test.

The information will be transferred to DHSC, who will share this with the NHS, GPs. PHE and the Local Government will use this information for wider test and trace activities as well as statistical and research purposes.

This information is processed and shared under obligations set out in Public Health legislation under Regulations 3(1) and (4) of the Health Service (Control of Patient Information) Regulations 2002 (COPI) which allows the sharing of data for COVID related purposes.

This information will be kept by the school for up to 14 days and by the NHS for 8 years.

Processing of Personal Data Relating to Negative test results

We will record a negative result and the information transferred to DHSC, NHS, PHE and the Local Government who will use the information for statistical and research purposes.

This information is processed and shared under obligations set out in Public Health legislation under Regulations 3(1) and (4) of the Health Service (Control of Patient Information) Regulations 2002 (COPI) which allows the sharing of data for COVID related purposes.

This information will be kept by the school for up to 14 days and by the NHS for 8 years.

Data Sharing Partners

The personal data associated with test results will be shared with

- DHSC, NHS, PHE – to ensure that they can undertake the necessary Test and Trace activities and to conduct research and compile statistic about Coronavirus.
- Your GP – to maintain your medical records and to offer support and guidance as necessary
- Local Government to undertake local public health duties and to record and analyse local spreads.
